Fugue States

June 26—July 29, 2025

Opening Thursday, June 26, 6—8pm

537 W 27th Street, New York, NY 10001

Morgan Presents is thrilled to announce *Fugue States*, featuring new works by Maria Haag, Sam Jablon, Rebecca Ness, Terry Rosenberg, Mike Shultis and Willie Stewart, alongside a significant historical work by Albert Oehlen. Moving between the familiar and the fantastic, *Fugue States* presents the viewer with episodic moments from their wandering—moments of mirage, disassociation and discovery—on both an epic and an intimate scale. What remains unclear is whether these reflections are memories, or rather phantasms of our own creation.
